## **NEXUS Mobile Enrollment Team Coming to Miami, FL**

Tired of waiting in long lines at airports and idling in your car at border crossings? This is an opportunity to make your travel more efficient and less stressful.

**Canada Border Services Agency (CBSA) and U.S. Customs and Border Protection (CBP) will conduct a mobile NEXUS enrollment session in Miami, FL from February 6 to 8 2018.**

The NEXUS program allows pre-screened travelers expedited processing when entering the U.S. and Canada. Program members use dedicated processing lanes at designated Canada-U.S. land border ports of entry, NEXUS kiosks when entering Canada by air and Global Entry kiosks when entering the U.S..

**NEXUS also affords you the benefits of Global Entry which is located at most U.S. and Canadian major airports and access to the shorter and faster TSA Pre-Check security checkpoint lines for both domestic and international travel. NEXUS members also receive expedited processing at marine reporting locations.**

Why is this session special? You don't have to visit a NEXUS [Enrollment Center](#) at Canada/U.S. land borders or at the Halifax, Montréal, Ottawa, Toronto, Winnipeg, Calgary, Edmonton or Vancouver international airports to complete the process.
