Overview

Angie is a hard-hitting litigator with extensive experience overseeing eDiscovery and litigation-management workflows in some of the highest profile litigation of the last decade, including two of the largest MDL matters in US history. Angie's experience includes planning and implementing large-scale collections, reviews, productions, and privilege logs. Angie has developed close client relationships and enjoys working with clients to find creative solutions to unique challenges.

Angie received her J.D., *summa cum laude*, from the J. Reuben Clark Law School and her B.S., *magna cum laude*, in Mathematics & Statistics from Utah State University. Prior to joining Gunster, Angie worked in-house at a major international energy company. She was

also an attorney at a global law firm for 10 years, specializing in complex commercial litigation. Angie has a particular interest in social justice issues and in her spare time enjoys running, baking, and playing with her two active boys, Isaac and Noah.
