Overview

Daniel J. Glassman advises clients in all areas of personal and business tax planning. He works with individuals and businesses to create the most tax efficient structure for his clients in order to achieve the desired outcome.

Danny assists clients with federal income tax, corporate tax, partnership tax, federal wealth transfer (estate, gift, and generation skipping transfer tax), and state of Florida tax issues. He strives to help clients keep as much of their money as possible.

Danny also helps clients understand the tax ramifications of complex transactions and available options to minimize or defer the payment of taxes.

In addition to working with clients on tax planning, Danny also represents clients in disputes with taxing authorities at both the state and federal level.
