Overview

Emmet F. Brady is a Litigation Project Manager with experience handling discovery matters and supporting case teams at the state and federal level. He applies a modular approach to work that allows stakeholders to apply various tactics and frameworks after identifying specific needs. He embraces the idea that parallels exist between all challenges and that a lesson learned on one day will always hold value in the future.

Emmet takes pride in gaining a deeper understanding of the tools and techniques available to eDiscovery professionals. He strives to create faster, more efficient, and more complete solutions to complex problems facing clients. He has a strong grasp of prominent eDiscovery programs and platforms such as Microsoft Excel, Relativity, Nuix Discover, and Opus 2.

Prior to joining Gunster, Emmet graduated from the University of Virginia in 2022, earning a Bachelor of Arts with Distinction in Political Philosophy, Policy & Law (PPL) and completing a minor in history.
