Overview

Lauren Kahn currently represents developers before local government boards and regulatory agencies. She has played a role in obtaining the necessary development approvals for both residential and commercial projects throughout the different municipalities within Miami-Dade County.

Lauren began her career representing large financial institutions in New York City. Upon returning to her hometown of Miami, where she joined Gunster in 2010, she has continued to represent financial institutions. She has extensive experience dealing with discovery issues associated with complex litigation matters. Lauren has also worked on appellate matters in land use and shareholder valuation contexts.

Lauren is a native Spanish speaker who also reads and writes the language.
