Overview

Formerly Gunster's Regional Managing Shareholder and Chair of the Government Affairs practice through 2019, Lila is a dedicated strategist, thought leader and lawyer with a diverse, nearly 30-year professional background in energy, natural gas, water and telecommunications regulatory policy. Experienced in leadership, management, ethics and governance, as well as regulatory and political consulting, Lila's advisory firm works with Gunster on a number of business development and leadership initiatives, including the Florida's Women in Energy Leadership Forum. Notably, Lila served two terms as both Commissioner and Chairman of the Florida Public Service Commission, overseeing the state's implementation of economic regulatory policy and procedure for the energy, natural gas, water and telecommunications industries.
