Practice & Industry Areas

- Private Wealth Services

Overview

Sherry joined Gunster's Private Wealth Services practice in 2022, with 33 years' experience in executive level administrative support roles.

Sherry's legal career began in 1993 in medical malpractice defense litigation and over the years, she has enjoyed working in a number of other practice areas, including estate planning, real estate and land use, personal injury and corporate law. Sherry's current focus is probate and trust administration, which has been the concentration of her choice for the past 15 years.
